DOC Declassification/Release Instructions on File

SUBJECT: CIA Support of Embargo Enforcement

Rauer Meyer has asked me to respond to your request of 2 May 1967 for our evaluation of your understanding of CIA's role in embargo enforcement.

Your Memorandum of Understanding of 1 May 1967 has been circulated to and reviewed by our senior staff people as well as those in the Commercial Intelligence Division of the Office of International and Regional Economics. The consensus is that CIA's role as expressed in your memorandum is consonant with the needs for CIA support for this program as we see them and adequately reflects CIA support to current activities in this field.
